14 incidents of ceasefire violations recorded at night
11:29, 15.04.2016

YEREVAN. – Fourteen incidents of ceasefire violations were recorded from late Thursday night to early Friday morning, at the northeastern sector—i.e. Tavush Province of Armenia—of the Armenia-Azerbaijan border.

The Ministry of Defense (MOD) of Armenia informed Armenian News-NEWS.am that, during this time, the Azerbaijani side fired irregular shots at the Armenian position-holders, and by way of rifle weaponry. Vanguard units of the Armenian armed forces, however, exercised restraint, took actions in response solely when absolutely necessary, and they confidently control the situation along the aforesaid border.
