

Situation on the frontline on the night of April 19-20

20/04/2016

On the night of April 19-20 the operative situation along the Line of Contact between Nagorno Karabakh and Azerbaijan has not changed, press service of the NKR Defense Army reports. According to the release, the adversary violated the verbal agreement to put halt on fire for 50 times using primarily weapons of various calibers, sniper rifles of heavy calibers, and 60 mm mortars (1 shell). The Defense Army Advanced detachments control the operative-tactic situation and continue to confidently carry out their combat duties, reads the statement.
