Azerbaijan fires grenade launchers at Hadrut direction

The Press Service of the NKR Defense Army informed that Azerbaijan violated the ceasefire agreement last night more than 80 times.

STEPANAKERT, APRIL 19, ARTSAKHPRESS: The NKR DA statement reads: "Azerbaijan violated the ceasefire agreement along the entire line of contact more than 80 times by firing different caliber weapons during the night of April 18-19. In the direction of Hadrut the Azerbaijani forces also fired AGS-17 grenade launchers (3 shells).

The DA forces remained committed to the ceasefire agreement and took necessary measures for the reliable defense of military positions along the line of contact."
